School of Excellence

CTK has been awarded the CEF Archbishop Naumann School of Excellence Award for 2020. Much of the reason we have been honored once again is due to the hard work of our faculty, staff, students, and families of CTK. We are so blessed to be together in this great community, and we will celebrate this great achievement together very soon.

Movie Night

Our next movie night is this Saturday, September 26, 2020. Come out and enjoy watching a movie with your family. Bring your lawn chairs, blankets, and buy some food and popcorn!

Mrs. Dailey and her third grade class are learning outside while social distancing.

Our Second Week

I want to say again that the atmosphere in the building is calm and focused, and the students have been extremely attentive and respectful. It's been soooo nice to have everyone here at school. Please remember to try and make appointments outside of the school day in order for the students to receive as much instruction as possible. We have so much for them to discover, and their attendance makes that possible. Every Monday the students who have perfect attendance the week before get their name in a drawing for a dress down pass.

Mass Change

School Masses are held every Tuesday and Friday for fifth, sixth, seventh, and eighth grade and every Wednesday for Kindergarten, first, second, and third grade. Once the pandemic has subsided, we hope to celebrate mass as a whole school again.
