

Christ the King School is seeking a Latin teacher for the 2021-22 school year. Partnering with parents in their role as primary educators, Christ the King School extends the mission of the Church in forming true disciples of Jesus Christ. Through a Catholic Classic Liberal Arts education centered on Christ, we provide an integrated approach fostering a love for truth, beauty, and goodness. We seek to instill a natural desire for wisdom and virtue in all students. We seek candidates who not only possess a deep understanding of Latin but also possess a love of life-long learning. The ideal teacher at Christ the King has not only developed a level of mastery in the discipline that they teach, but also understands how that discipline belongs within the context of a strong Liberal Arts education. Classical languages give us access to a wealth of western thought that aids in the formation of virtuous Catholic souls; therefore, six years of Latin (3rd – 8th grades) is not an elective, but is part of the core curriculum at Christ the King.
