Education for Nobility

Important Letter

An important letter is coming home today in your child's folder from Fr. Nick. Please let him or me know if you have questions.

Dress Down

This Thursday, November 17th is a dress down day for charity. Throughout the year we should be thinking of those who need our help the most. Students who wish to dress down should bring at least **\$2 each** for the privilege.

Sick Calls

When your child is sick and will not be at school, please call the school office at 913-287-8883.

No School Days

There is no school next Monday and the following Monday, November 21-28.

Sloppy Joe/Knight's Day

This Friday, November 18, is our next Sloppy Joe lunch, Knight's Dress Down Day, and Faith Family event. The cost for lunch is \$4.

Feast of Christ the King

The Feast of Christ the King is celebrated on **Sunday, November 20**. We have several events planned for our school and parish. First we ask that **ALL STUDENTS** participate in the 9:30AM mass and the procession immediately following. Please wear uniforms. Those students who attend will receive a dress down pass and parents will receive family service hours. This could be a huge celebration if we all plan to attend!! What better way to honor our Lord than by coming together in the Eucharist and then in a Eucharistic procession afterward?

The eighth grade is hosting a taco-bingo lunch immediately following in Davern Hall.

Mass for Life

On Friday and Saturday of this week, November 18th and 19th, there will be a vigil, Mass for Life, and rosary procession. Everything will begin with a vigil on Friday, November 18th at 7PM, mass at 8AM, and then we end with the rosary procession

Conferences

Again, it's been nice and helpful to meet with so many of you parents. As of today there are several of you who did not attend conferences nor did you make arrangements to collect your child's progress reports. We will hold them until you do.

Virtue of the Month Winners

The following students were chosen from among their peers for demonstrating the virtue of **studiousness** best. They are as follows: Christopher Green, Francis Grabs, Isaac Sanchez-Urbina, Kimberly Lucio, Roberto Rivera, Alison Sagastume, Rudy Padilla, John Grabs, and Samantha Rosas.

Scholar's Bowl

The two seventh and eighth grade teams who represented CTK at the first invitation by St. James Academy performed well. We are very proud of them for their dedication to their studies, and we know that they will be bringing home trophies in the future. Many thanks to team sponsors-Mr. Mauro, Mrs. McCoy, and Mrs. Walter. Many thanks, too, to the parents and other teachers who came to support the students.
