Catholic Schools' Week

Catholic schools partner with parents who are the primary educators of their children. The school collaborates with parents and guardians in promoting the values that are begun at home and fostered and celebrated in the schools. Christian virtues such as kindness, humility, and diligence are not only explicitly taught in Catholic schools, but they shape the foundation and backdrop for everything that happens in our schools. The Catholic schools like Christ the King are communities of faith that encourage reverence, respect, and concern for others in a spirit of hospitality that welcomes all.

Meetings with Fr. Nick and me

Father Nick and I would like to schedule a meeting with each of our families to discuss enrollment and other topics for next year. Please plan to sign up for a time between 4-6PM after school or on Saturdays from 9 to 1. You will receive a phone call to schedule a time that works for you.

New Mascot

The top two winners were the Knights and the Monarchs. We will announce the winner during Catholic Schools' Week.

Generosity Abounds

The generosity of our faculty, staff, and students was evident once again. We raised over \$1150 for the Alvarado family. They were so grateful they couldn't speak. Thank you all for your kindness. I believe that when we work together to care for others we are doing God's will.
